## GENERAL INSTRUCTIONS

1. Please read the instructions for each schedule to determine the type of property to list. If you need extra space to report all information, make copies of each appropriate schedule's form and add it to this report or attach an additional list.
2. This report and any additional documentation apply to all property assessable on January 1, 2006. You must submit this information to the \_\_\_\_\_ county assessor's office by March 15, 2006.
3. Please file a separate report for each plant owned or operated.
4. Report acquisition dates and original costs, including interest and insurance during construction, installation, freight, engineering, testing, calibration, overhead, and all other direct\* and indirect\* construction and development costs.

\* Direct costs are expenditures for the labor and materials used in the construction of improvements. They include, but are not limited to: building permits; materials, products, and equipment; labor and equipment used in construction; security during construction; contractor's shack and temporary fencing; material storage facilities; power line installation and utility costs; contractor's unemployment insurance; and performance bonds.

\* Indirect costs are expenditures or allowances that are necessary for construction, but are not typically part of the construction contract. They may include: architectural and engineering fees for plans, plan checks, surveys to establish building lines and grades, and environmental studies; appraisal, consulting, accounting, and legal fees; cost of carrying the investment in land and contract payments during construction (if the property is financed, the points, fees or service charges, and interest on construction loans are indirect costs); all-risk insurance and ad valorem taxes during construction; and cost of carrying the investment in the property.

Do not deduct for depreciation. You must include the original cost of assets that have been totally depreciated for Internal Revenue Service purposes.

5. In each appropriate section of the report, please provide any information that may affect the value of your property, i.e., equipment not in use, equipment scrapped but not deleted from books, etc.
6. Please respond to each schedule of this report. Enter the word "NONE" where appropriate.
7. The owner, a duly authorized officer, or the property owner's designated employee must sign page 3 of this report.
8. PLEASE NOTE: If you claim an exemption for pollution control equipment, you must complete Schedule VIII on page 11.
9. If you elect the qualified property exemption in lieu of investment tax credit, you must complete Schedule X on page 13.

If you have questions about completing this form or would like this form in an electronic format, please call our office at \_\_\_\_\_ (assessor's phone number).

**SCHEDULE VIII  
POLLUTION CONTROL EQUIPMENT DECLARATION**

Idaho Code §63-602P provides a property tax exemption for property which is designed, installed, and utilized for the elimination, control or prevention of water and/or air pollution. See Idaho Code §63-602P and Property Tax Administrative Rule 619 (IDAPA 35.01.03.619) for qualifications for this property tax exemption.

I hereby declare the following property items to be pollution control equipment and petition the Board of Commissioners as the Board of Equalization for a property tax exemption. I understand the property tax exemption will be applied only to those property additions, such as water and/or air pollution control equipment, required by the Idaho State Department of Health, the Environmental Protection Agency, or any other official governmental regulatory agency.

**SCHEDULE X**  
**QUALIFIED PROPERTY EXEMPTION IN LIEU OF INVESTMENT TAX CREDIT**

You may elect a property tax exemption in lieu of investment tax credit for qualified property under Idaho Code §63-3029B. For the qualifications for this property tax exemption, see Idaho Code §63-3029B, Property Tax Administrative Rules 988 (IDAPA 35.01.03.988) and 989 (IDAPA 35.01.03.989), and Income Tax Administrative Rule 719 (IDAPA 35.01.01.719).

The information listed below must be consistent with the information listed on Income Tax Form 49E, which you must attach to claim this exemption. The maximum value exempted for all qualified property purchased used in any one year is \$150,000. In the column labeled "New or Used," indicate the value for which you request the exemption for all property purchased used. The maximum value exempted for qualified property purchased new is unlimited.
